Tele-Zyme™

FOOD ENZYME INSTITUTE™

Remedial Help When a Patient Cannot Visit Your Office

TELE-ZYME™

This procedure permits assessment and proper specialist remedial help,

This can dramatically mitigate symptoms of energy deficiency.

1. What to do when your patient cannot come to the office to be examined.
2. Procedure outline including identifying an inflammatory response.
3. Initial Consultation Form
4. Signs & Symptoms™ Survey
5. Signs & Symptoms™ Interpretation Key
6. Personal Health History and Macronutrient Cascade Chart
7. Specializing: additional nutritional considerations based on surgical and medication history.

*This is a **free service** provided to Food Enzyme Institute™ alumni who have **completed Seminar Two** (Clinical Judgment in Absorption, Immune System, Autonomic Nervous System, and Endocrine System) **and passed their examination**. This is provided to protect your investment and commitment.*
